Warning

5

Minor

Ruff — Lint / Code Smell (4)

Severity	ตำแหน่ง	Rule	รายละเอียด
Warning	backend\create_paths.py:11	E401	Multiple imports on one line
Warning	backend\server.py:13	E401	Multiple imports on one line
Warning	backend\server.py:14	E401	Multiple imports on one line
Warning	backend\server.py:15	E401	Multiple imports on one line

Bandit — Security (2)

Severity	ตำแหน่ง	Rule	รายละเอียด
Critical	backend\server.py:300	B324	Use of weak MD5 hash for security. Consider usedforsecurity=False
Minor	backend\server.py:338	B110	Try, Except, Pass detected.

mypy — Type Check (9)

Severity	ตำแหน่ง	Rule	รายละเอียด
Major	backend\server.py:13	import- untyped	Library stubs not installed for "psycpg2.extras"
Major	backend\server.py:13	import- untyped	Library stubs not installed for "psycpg2"
Major	backend\server.py:15	import- untyped	Skipping analyzing "msal": module is installed, but missing library stubs or py.typed marker

Severity	ตำแหน่ง	Rule	รายละเอียด
Major	backend\server.py:15	import- untyped	Library stubs not installed for "requests"
Major	backend\server.py:299	union- attr	Item "None" of "str None" has no attribute "strip"
Minor	backend\server.py:13	type	Hint: "python3 -m pip install types-psycopg2"
Minor	backend\server.py:13	type	(or run "mypy --install-types" to install all missing stub packages)
Minor	backend\server.py:13	type	See https://mypy.readthedocs.io/en/stable/running_mypy.html#missing-imports
Minor	backend\server.py:15	type	Hint: "python3 -m pip install types-requests"
